

## **Laura Herndon**

Laura Herndon is the office manager at FUMC Colleyville. Laura's primary responsibilities are serving the members, visitors, pastors and staff while in the office as well as administering the Helping Hands Fund.

She loves living in Grapevine, where her parents also live. She also has an awesome sister who lives in the metroplex. Laura's sweet nephews call her Lala.

Laura's ideal day of rest is spending most of the day with her family and then finishing off a good book. She thinks the best time of day is early morning. Laura can't live without Cheetos and her favorite flavor of ice cream is strawberry.

Her favorite hymn is "Great Is Thy Faithfulness." She loves that everyone she has encountered at our church has been genuine and kind. Laura said she would be honored if the church members communicated with her as to how she can be as helpful as possible for them. She thinks the members are the heart of every church.
