Matt Weaver is the Director of Contemporary Worship for FUMC Colleyville. He is responsible for leading and directing the praise band, picking the worship set list and helping the band grow in their leadership responsibilities. Matt's favorite hymn is Victory in Jesus and his favorite bible story is The Prodigal Son. Matt loves cheddar cheese and chocolate chip ice cream. His favorite place to visit is Durango, CO and his ideal Sabbath includes worshipping and fellowship in person.

Matt is married to Kari and has a daughter Bridgette. He also has three cats Igor, Winston and Bastion! Matt has a degree in Piano Performance from UNT and is also a Licensed CPA in the state of Texas.

Matt's favorite thing about FUMC Colleyville is the people. Reach out to the church office who can connect you to Matt if you have Praise or Worship songs, you'd like to see the band lead or for opportunities to volunteer with the band. And Matt welcomes any direct feedback on worship, the band, or the songs the band does. He said feedback helps to make positive changes to make the worship experience better for everyone.
